REF.: EUSW Working Group 2: meeting in Parma, 28th February – 1st March.

Dear friends,

as agreed during the last Annual Meeting in Parma, the next 28th February and 1st March will be dedicated to the meeting of the Working Group we are all part of. As you know, the preparation of the book on Social Work is one of the main outputs to be achieved during this first year of activities and for this we are expected to do a lot of work.

Therefore, I'm glad to invite you all to this meeting, since it will be of primary relevance for the implementation of our output.

Please allow me to remind you that, as regional editors, by the meeting you all should have the various parts of the book you were meant to collect, and more specifically:

Günther	Latvia, Austria, Luxembourg, Germany, Hungary
Tomasa	Portugal, Spain
Maria José	Netherlands, Ireland
Gérard	Belgium, France
Maria	Cyprus, Greece
Sigrun & Kerstin	Denmark, Norway, Finland, Iceland, Sweden
Ewa	Poland, Romania, Lithuania
Elizabeth	UK
Annamaria	Italy

Some of you have already provided for sending the materials; I hope the others are at a good point of advancement.

Please remember that a reimbursement of 300 EUROS will be given: I know it is not much but it's all we have at the moment.

Please confirm your participation to Alessandro (socrates@unipr.it) by next Friday at the latest.

Yours,

Annamaria
