

Dear EUSW Annual Meeting participants,
the meeting is approaching and we are looking forward to seeing you here in Seville. I hereby want to give you some information that can be interesting for some of you. The first of them is for those who arrive by train. Please find here enclosed a map in which we locate the way from Santa Justa train station to the bus station where the bus drives to Carmona. In this map we have also included the timetable with the departures from Seville. You may take into account the times of "Laborables".

Then we want also to give you some links for those who want to stay one more day. It is possible to stay in Carmona in hotel Alcázar de la Reina (here you are the link: <http://www.alcazar-reina.es/>). But if what you want to do is to visit Sevilla, I recommend you to stay better in Sevilla itself. A good link for choosing a hotel is <http://www.sevillaonline.com/hoteles/> , and if you let me recommend one that is well located and not too expensive, take into account Hotel Alcázar (<http://www.hotelalcazar.com/>).

This is all for now. If you still have doubts about anything, do not hesitate in contacting us at sevillameeting@upo.es

Best regards,
Cristina Caro
English Secretary for the 3rd Annual Meeting of EUSW
